MESSAGE FROM THE PRINCIPAL

We have now completed our internal school exams and teachers are busy writing end of year reports and nominating students for awards to be presented at our celebration evening.

Students are choosing their end of year trips and preparing for sports day. It is a busy and enjoyable time of the year.

I would just like to remind everyone that whilst the last 4 weeks of this school year will have a slightly different feel, due to the wide variety of activities going on ( not to mention the World Cup) we need to remember lessons and learning are still going on. We expect students to be engaged with their learning and to behave in a co-operative and sensible manner, especially when their normal routine is disrupted.
