

## TASK

I have created an Art Pack to introduce you to the context which is necessary for you to start studying the subject as an A Level.

The tasks you will be required to complete will help you to research, analyse and find links between different art movements: Surrealism, Cubism and Expressionism. This knowledge will be imperative to the course, as you will learn to relate your own work to that of the famous artists and art movements.

As well as written contextual tasks, you will also be able to show your skills as an artist through the use of a sketchbook diary and transcriptions by following the checklist.

## OVERVIEW

Art and Design is a fully creative subject, where our aim is to realise your strengths and work towards a final piece.
