Entry Criteria

A levels

- Students need to choose to study three subjects in total - one subject from three blocks.
- In order to study A levels students will need to have at least 5 Grade 5's at GCSE and a minimum of a grade 5 in that subject at GCSE.
- For History a GCSE pass at grade 5 or above in English **and** History.
- To study Psychology, you will need at least a grade 5 in English and 6,5 in Science and 6 in Maths.
- To study Maths you will need a minimum of a grade 7 in Maths
- To study any of the individual science A Levels, you will need to have grade 6 in Maths, 5 in English and 6 for Biology, 7 for Chemistry and 7 for Physics.

Vocational Level 3 courses including BTEC

- Students need to choose to study one subject from three blocks.
- In order to study the Level Three Vocational courses, you will need to have 4 grade 4's at GCSE and a Merit at BTEC in that subject and preferably a level 4 in English Language **and** Maths.
- If you intend to study an Applied Double Award you must choose the *single* and *Double* award options in both columns. You can mix your choices and study 'A' levels and applied courses but you cannot choose more than one from each block.

You need a minimum of a Grade 3 to be able to resit Maths or English.
